Special Events Planning Guide

Created January 2016

Updated May 2016

Updated August 2017

Thank you very much for your interest in holding a special event in Charlemont. This guide is designed to answer questions you might have about whether or not you need a special event permit for your event, how to submit an application package for a permit, and numerous other issues. It also contains contact information for people who can help make your event a success.

If you have any questions about holding a special event in Charlemont that are not addressed in this guide, please call the Charlemont Town Administrator, Peg Dean, at (413) 339-4335, X 8, administrator@townofcharlemont.org, for more information.

Do you need a permit for your event?

- Is your event considered an extraordinary or planned activity that will impact the public or public order in any way?
- Do you want to use Town property for at least part of your event? Town property includes the Charlemont Fairgrounds, Tennis Courts, Town Hall, town playgrounds, fields, roads, right-of-ways, sidewalks and bridges.

If you answered yes to either of these questions, the Town of Charlemont asks that you complete the Special Events Application.

Will you be charged an application fee?

No. Charlemont does not charge a fee for processing special event application packages.

When do you need to submit your application package?

Your Charlemont Special Event Permit Application package must be completed and submitted to the Charlemont Select Board at least 60 days prior to your event. Please note that approval from the following departments and committees may be required prior to the final review, approval, and permit distribution for your Special Event.

Where do you send your completed application package?

Once you have fully compiled your Special Event Permit Application and supporting materials described above, please email a digital copy of your entire application package to the Charlemont Town Administrator at administrator@townofcharlemont.org.

The process of approving your application will not start until you have submitted all necessary materials. To avoid delays in the permitting process, please make sure your application package is complete when you send it to the Town Administrator.

What happens after you submit your application package?

The Town Administrator will review your application package to make sure all necessary parts have been submitted. If anything is missing, she will contact you to let you know what materials still need to be provided.

Once she has received all necessary materials from you, she will send your complete application package to the following departments and boards (as appropriate for your specific event) for sign-off: Fire, Ambulance, Police, Highway, Board of Health, and the Park & Recreation Commission. This process will be completed as quickly as possible, but it may take up to two weeks.

Your application package, along with these signatures, will then go to the Charlemont Select Board for review at the next scheduled Select Board meeting. (In general, the Charlemont Select Board meets twice a month on Monday evenings.) You may or may not be asked to attend a Select Board meeting to discuss your application. If you need to attend a meeting, you will be contacted by the Select Board's office to schedule an appointment.

When and where can you pick up your Special Event Permit?

Once the Select Board approves your application and authorizes a permit for your event, you will receive an email from the Town Administrator about where and when to pick up your Special Event Permit.

Will you be charged fees for using Charlemont's emergency services?

Charlemont's Fire, Ambulance, and Police may require fee payments, depending on the specific nature of your event. Charges for these services will be assessed according to the Emergency Action Plan submitted in your application package and the Town's current Emergency Services Rate Sheet, see last page of planning guide. If you have any questions about the possible requirements for your event, please contact the emergency services providers listed above before submitting your application package.

Is it OK for your event to cross/ follow/ block traffic on Route 2?

The Town of Charlemont does not have jurisdiction over the use of State highways that run through town. If your event uses or crosses any State highways, including Route 2 (a.k.a, the Mohawk Trail), you will need to receive separate approval for those parts of your event from the Massachusetts Department of Transportation (Mass DOT) Highway Division. The Charlemont Select Board may approve your Special Event Application and grant a permit for your event, but such approval by the Town is not contingent upon – and does not imply that you have received – Mass DOT approval for your event. It is your responsibility to work with Mass DOT Highway Division to receive authorization to use State highways Charlemont, if needed.

For more information, please contact the MassDOT Highway Division's western Massachusetts office: 270 Main Street, Lenox, MA 01240, (413) 637-5700.

What if your event takes place in more than one town?

The Charlemont Select Board can approve only the portion of your event that takes place in our town's borders, and Charlemont's approval of your event does not imply approval by any other town. If you are planning an event that does cross town lines, you will need to contact the

appropriate neighboring town(s) to receive approval for the remainder of your event. To find out what special event requirements Charlemont’s neighboring towns may have, please contact their Town Halls at the numbers below:

Rate Sheet

Police, Fire, Ambulance - Private Detail Policy

Personnel*

The Town of Charlemont Police, Fire, and Emergency Medical Technicians detail rate is equal to the Massachusetts State Police detail rate, \$50 per hour for a minimum of (4) four hours. Overtime = \$75 per hour, for every hour after (8) hours worked.

Emergency Vehicle Rate*

The Charlemont Police vehicle rate is \$10 per hour. Charlemont's Emergency Services Ambulance or Fire Engine vehicle rate is \$150.00 for the first 8 hours in a 24-hour period, and \$18.75 per hour for the remaining 16 hours. If an event goes beyond the 24 hours, the billing cycle will be billed out in the above manner in 24 hour increments. The Town of Charlemont will charge for the Fire Engine or Ambulance when it is highly anticipated the vehicle will be needed. Emergency vehicles may be onsite at no cost to ensure Emergency Services are better able to respond should there be a local response.

Administrative Fee*

A 10% administrative fee will be charged to the total bill.

Events

Request for an Ambulance or Fire Engine will be staffed by a minimum of two personnel per safety vehicle. The Police Chief, Fire Chief, and Ambulance Director reserve the right to determine if more personnel are required at the event for the best interest of the personnel and public safety, to be paid for by the event organizers. The Charlemont Police, Fire, or Ambulance under the direction of the Police Chief, Fire Chief, or Ambulance Director can schedule training for its members to take place during the event. The Town of Charlemont Emergency Services – Police, Fire, and Ambulance will respond to local emergencies as needed.

Payment

The Town of Charlemont reserves the right to require pre-payment for services from the event organizers in advance of the event taking place.

**The derived total only, based on these rates, will appear on your final bill.*
