

CAPITAL IMPROVEMENT COMMITTEE MEETING – CHARLEMONT TOWN HALL

October 9, 2017

Present: Tracy Hall, Ron Smith, Tony Walker

1. The meeting was called to order 6:15 pm.
2. Bob Handsaker and Trevor Mackie appeared to discuss placement of the hut needed to house the equipment needed for Charlemont's broadband. One option is to rehab the old jail building behind Town Hall, by using the foundation and putting a custom-made building in its place. Another option is to build a new structure from the foundation on up. There was a question as to the historical significance of the old jail, and if it should be preserved. That question will be looked into. Contractors will be sought to build the hut.
3. Tony Walker will look into replacing the Town Hall light bulbs with LED's.
4. The meeting adjourned at 7:30 p.m.

Respectfully submitted,

Ronald Smith
