RDA discussion for Berkshire East began at 6:30

Scalise outlined the work to be done:

- Clean up from dam break involving removal of hay and silt that accumulated around the hay. This will be done so as to return the original stream bed. The silt will be removed from the buffer zone.
- The campground will involve no disturbance of the soil around the snowmaking pond
- The parking area below the dam will be raked and grass planted. Some sort of buffer will be put in place so that vehicles do not get into the buffer zone.

Lingle moved and Shields seconded a motion for a negative finding 2 Approved 4-0 All signed DEP Form 2

Harker moved and Telling seconded a motion to adjourn. Approved 4-0

Adjourned at 6:55 pm

These minutes are not official until signed.
