

We want to hear from you about Digital Equity! Join us for our second community meeting

The Franklin Regional Council of Governments is working with 8 communities on a **Regional Digital Equity Plan** to ensure that all residents have fair and equal access to digital technologies—including access to the internet and computers—as well as the skills and knowledge to effectively use them.

The 8 participating communities are:

- Charlemont
- Colrain
- Leyden
- New Salem
- Northfield
- Orange
- Warwick
- Wendell

Join us for the second of three community meetings:

Tuesday, January 30th

5:30-7:30 p.m.

Hawlemont Regional School

10 School St., Charlemont, MA

This meeting will be hybrid, and is open to all residents of the towns listed.

If you plan on attend via Zoom, please register in advance:

<https://bit.ly/491hqDu>

After registering, you will receive an email containing information about joining the meeting.

**We will hold a third and final community meeting
in Orange, on February 8th, 5:30-7:30 p.m.**

Together, we can achieve internet for all.

This project has been funded by the Massachusetts Broadband Institute's Municipal Digital Equity Planning Program, with assistance from the Franklin Regional Council of Governments.
