7:25 P.M. Zoning by-law amendments, Gisela states these need to be done by next meeting in order to have them at the next town meeting. It was felt we needs to see these before voting

Carlene had a list of items on the zoning by-laws that are not clear and need to be worked on, items such as section 28 site plan review, should the M.M be added to use table, repair/maintenance be added, create a everything else selection to the use table. There were 11 items in all, again Gisela took the information and will compile these items into the use table to look over on the March-19-2015 meeting with a possible vote that evening.

The public meeting for the Inn was talked about. This meeting will be held by the Board of health on March-11th, Dan stated he will go and report back.

All Board meeting will be on March-16th at the Mountain Lodge, most stated they would be there.
