

Town of Charlemont

Zoning Board of Appeals

Hearing to consider an application for a variance by Robert Burrington

March 28, 2017

Prior to the hearing, the following elections were held: Charlotte Dewey, Chair, Trevor Mackie, co-chair and Toby Gould, secretary.

C. Dewey opened the hearing at 7:15 PM.

Attendance: Charlotte Dewey, Trevor Mackie, Robert Burrington, Doug Dean, Aldo Pizzi, Erwin Reynolds.

Bob Burrington explained that he wished to add storage space to a barn on the east side and rear of the existing structure. He presented plans and a plot drawing.

A question was raised concerning the distance to the adjoining land (plot #41). A view of the plans seemed to show the new structure being partially built on this adjoining plot.

Mr. Burrington will consult with his attorney and a surveyor and return on the agreed upon date.

The hearing was adjourned at 7:40 PM and continued to April 27, 2017 at 7:00 PM.

Respectfully submitted,

Toby Gould
